TRAFFIC ADVISORY

****REVISED****

WORK TO RESULT IN TEMPORARY OVERNIGHT CLOSURES ON MORAVIA ROAD RAMP TO SOUTHBOUND I-895

WHAT: Weather permitting, the ramp from eastbound Moravia Road to southbound Interstate 895 will be closed to traffic temporarily.

Motorists will be detoured from eastbound Moravia Road to westbound US 40, to Erdman Avenue, to southbound I-895.

WHEN: **Sunday, Sept. 30 and Monday, Oct. 1 from 7 p.m. to 5 a.m. the following morning.**

WHY: Contractors will be performing paving work as part of construction associated with the I-95 Express Toll LanesSM (ETLsSM) Project which includes removing and replacing the I-895 bridge over Herring Run.

The I-95 ETLs Project spans from the I-95/I-895 split in northeast Baltimore to just north of MD 43 in White Marsh. Once complete, it will result in a total of two new ETLs and four general-purpose lanes in each direction that are accommodated by bridge and interchange improvements. Motorists will have the option of using the general-purpose lanes at no cost or paying a toll to use the ETLs, which will be managed to maintain relatively congestion-free traffic flow.

Information on the I-95 ETLs Project, detour maps, live traffic images and the ETLs Project video can be found at I-95ExpressTollLanes.com.

Please drive with caution, stay alert and obey traffic-control devices, especially while traveling through work zones.

The Maryland Transportation Authority is an independent State agency that finances, owns and operates the State's seven toll facilities. The Authority's eight Members, appointed by the Governor with consent of the State Senate, serve as the agency's policy-setting and governing body. Maryland's Secretary of Transportation serves as Authority Chairman.
